

REGULATION FOR ALL SPORT DISCIPLINES

Sports competitions Euroijada 2019 will contain 12 disciplines including: futsal, basketball , volleyball , handball, football, table tennis, tennis, swimming, track and field (400 and 800m), and debate. Adding any sport discipline will be possible only if a sufficient number of participants at the discretion of the organizers.

NOTES : Each contestant is required to apply before the tournament on the terms and conditions of a competition! Each captain/leader will be submitted propositions that were stated in the project. The tournament is possible to participate and those who are not students but not older than 35! If the person does not have some of the above documents , it is possible to attach a passport! The only valid list of players is list that was sent before tournament from team leader of student who is responsible! If mobile application will be ready till tournament than all players are OBLIGATED to apply by mobile application.

FUTSAL

Futsal tournament will be organized in the men and women competition. The teams will be divided into groups , where the number of groups and number of teams in the group will depend on the number of faculty in this competition . From each group going into the play offs by two best teams and move on to playing the elimination system , as follows: 1/8 finals, quarter-finals , semi-finals and finals.. If it is subsequently impossible to determine the two best teams (or one best team) in this case, qualifier will define by draw.

Since the Euroijada 2011th in Prague and Euroijada 2012th in Krakow attended by 11 teams in the men's futsal competition , the principle of competition for this number of teams is two groups of four teams and one group of three teams. In the semifinal will go winners of all

three groups and the best runner of the two groups with four teams . Further schemes semifinals of crossing the first placed in a group with four teams which passes only the first , the best runner-up and top-ranked in the group with four teams , from passing the first and second , with the first-ranked in the group with three teams. In Berlin we are expecting maximum number of teams: 32. So, it will be 8 groups with 4 teams.

If the 12 competing teams are formed three groups with four teams in the semi-finals where passing the winners and the best runner-up .

If there is 17 teams, first two group will content 4 teams and three groups with 3 teams. In 1/4 final will winners of the groups and 3 best ranking second teams.

If there is 22 teams, first group will content 4 teams and we will have 6 more groups with 3 teams. In 1/4 final will go first two teams from group with 4 teams and winners of all other groups.

If there is 20 teams, two groups will content 4 teams and we will have 4 more groups with 3 teams. In 1/4 final will go first two teams from groups with 4 teams and winners of all other groups.

If there is less or more teams of those numbers, the organizer reserves the right to make form for the system of competition ! The competition system in this or any other case which is not defined here , the organizer will determine on the day of the competition.

Rules of the game :

- Matches in the tournament in the group stages will be played in groups of two halves of 12 minutes without stopping watch (halftime is 3 minutes long). In elimination games (1/8 final, 1/4 final, 1/2 final, 3rd place match and final) will be played 2 half times 12 minutes long without stopping watch. We extended the time in group stages because it was the mark of 60% EUROIJADA 2015 participants in evaluation form.
